18 x 24" Yard Sign Template

HOW TO USE THIS TEMPLATE

The “Instructions” layer can be hidden, after being read and understood.

Create / Insert your graphics on the “Artwork” layer, extending all background art and colors to the edges of the Bleed Line.

Once your design is complete: Hide the “Bleed” & “Thru-cut” layers. Then you can discard the “Instructions” layer and save your file

Bleed Line

Artwork should extend to this line for full color prints

Margin Line

Artwork should be kept inside this 1/2" margine for screen printed signs

Finished Cut Line

Finished Product will be cut here
