

24"x18" Digital Yard Sign

HOW TO USE THIS TEMPLATE

The "Instructions" layer can be hidden, after being read and understood.

Create your banner graphics on the "Your Art" layer, extending all background art and colors to the edges of the Bleed Line.

Once your design is complete you can discard the "Instructions" layer and save your file.

Finished Cut Line

Finished Product will
will be cut here.

Bleed Line

Make sure your background
art extends to this line.
