

6" x 3" TRIANGLE DECAL TEMPLATE

The image shows a triangular decal template. It consists of two concentric triangles. The inner triangle is light blue and represents the 'Finished Size'. The outer triangle is light red and represents the 'Bleed Area'. The space between the two triangles is the area where background art should be placed. Arrows point from text labels to the respective lines.

HOW TO USE THIS TEMPLATE

The "Instructions" layer can be hidden, after being read and understood.

Create your graphics on the "YOUR ART" layer, extending all background art and colors to the edges of the Bleed Line.

Once your design is complete you can discard the "Instructions" layer and save your file.
